

Roll Up Stands

- The advertising information in the base of the banner stand can be drawn out for display and retracted automatically. After rolling up, it can be put into a carry bag for convenient transportation. The strong aluminium housing guarantees its working stability and durability.
- Deluxe banner stands are a unique design which simplifies the adjustment of the roller, and the self-locking device makes more space for the displayed picture.

- The top of the banner stand secures the advertising material with 3M double sided tape which slides into an aluminium holder.
